

## Railway Series 3052M / 3142M / 2132M

The Railway Series can host upto 5 x 3,5" or 2,5" SATA/SAS drives and can be installed into any 2 x or 3 x 5,25" bay space.

This simply rugged backplane series, with the revolutionary anti-vibration spring rails, protects your hard drive and connector against damage, while your data keep safe and cool thanks the high stability and heat-dissipation design.

The backplanes are equipped with LED indication for fan failure and overheating and each drive with an individual LED indication for power on and blinking for accessing.

The Railway backplanes are recommended for industrial and common use.

### SPECIFICATIONS

- ✓ Anti-vibration design
- ✓ Double HDD tray security / metal lock and sliding lock
- ✓ Suitable for both 3,5" and 2,5" HDD/SSD
- ✓ Easy swapping in/out
- ✓ For IPC industrial standard and SoHo

### COMPARISON

Model Name	JJ-3052M SS SATA+SAS, black 3/5 HDD	JJ-3142M-SS SATA+SAS, black 3/4 HDD	JJ-2132M-SS SATA+SAS, black 2/3 HDD
Interface	SATA & SAS		
Compatible with	SAS or SATA-I 1.5 Gbit/s, SATA-II 3.0 Gbit/s, SATA-III 6.0 Gbit/s		
Bays	3 x 5.25 Bay for 5 HDD	3 x 5.25 Bay for 4 HDD	2 x 5.25 Bay for 3 HDD
HDD size	3.5" or 2.5" SATA or SAS HDD or SSDs	3.5" or 2.5" SATA or SAS HDD or SSDs	3.5" or 2.5" SATA or SAS HDD or SSDs
Power connector	SATA 15pin x 2		
Performance	SATA-I: upto 1.5Gbit/s	SATA-II: upto 3.0Gbit/s	SATA-III: upto 6.0Gbit/s
Plug & play	SAS-I: upto 3.0Gbit/s SAS-II: upto 6.0Gbit/s		
Material	Supports plug & play, hot swappable		
Colour	Aluminum		
Ventilation	Black		
Extra features	With 3000RPM 8*8cm Cooling Fan	With 3000RPM 8*8cm Cooling Fan	With 3000RPM 7*7cm Cooling Fan
Dimensions [mm]	202(L) x 146(W) x 146mm(H)	202(L) x 146(W) x 126mm(H)	202(L) x 146(W) x 86mm(H)
Weight	1.9KG	1.7KG	1.3KG
